(Report on the Education and Support Program in Nepal)

Report to Fondation Maurice & Ute Genoyer (FMUG)

Date: April 2026

Introduction

On behalf of **Action Autonomie Pokhara (AAP)**, Nepal, we extend our heartfelt gratitude to **Action Autonomie Avenir (AAA)** and the **Fondation Maurice & Ute Genoyer (FMUG)** for their ongoing and invaluable support to the education and welfare programs that have positively impacted orphaned, semi-orphaned, and disadvantaged children in Nepal. Through your generous donations and partnership, we have made substantial progress in our mission to provide education, care and opportunities for a better future for vulnerable children in Nepal, especially in the Melamchi Helambu Valley and other regions of Nepal.

This report outlines the education and support program details for the **Melamchi Children's Home** as well as a summary of the **AAA & FMUG** financial contributions made to support the children and their education in Melamchi Helambu Valley regions of Nepal.

About Action Autonomie Avenir (AAA)

Action Autonomie Avenir (AAA) was established in 1992 and is a non-denominational, non-political association with a long history of supporting children's education in Nepal and other regions. AAA is a coalition of foundations and associations united by shared experience and trust, actively working in Nepal, Morocco, and other parts of the world. AAA's primary mission is to provide education and support for underprivileged children and teenagers.

Over the last 35 years, AAA has supported hundreds of needy children and teenagers to achieve education and good future. The first program was in Nepalgunj, then Kathmandu and in other different regions of Nepal, including **Nepalgunj, Arnakot, Pokhara, Kathmandu and Melamchi**. In the first program in Nepalgunj and second program in Melamchi, AAA's support has been instrumental in establishing and maintaining education and residential facilities for orphaned and semi-orphaned children.

About Foundation Maurice & Ute Genoyer (FMUG)

The **Foundation Maurice & Ute Genoyer (FMUG)**, recognized as a public utility foundation, has played a pivotal role in financing humanitarian projects, particularly for children in Southeast Asia, Africa, and beyond. With a focus on education, healthcare, and children's rights, FMUG has contributed significant resources toward improving the lives of vulnerable children worldwide.

The support provided to **Action Autonomie Pokhara through AAA** for the **Melamchi Children's Home** is an example of FMUG's ongoing commitment to children's welfare.

About Action Autonomie Pokhara (AAP)

Action Autonomie Pokhara (AAP), Nepal is a **non-profit social welfare organization** dedicated to providing **quality education and support** to orphaned, semi-orphaned, and disadvantaged children in various regions of Nepal, including **Kathmandu, Melamchi, Nepalgunj, Pokhara, and Arnakot**. AAP's mission is to ensure that these children receive a well-rounded education and have the opportunity for a brighter future.

With the support of **AAA** and **FMUG**, **AAP** has made great strides in the education sector and children's welfare, particularly in **Melamchi**.

Children Home in Melamchi Valley: Melamchi valley is a municipality in Sindhupalchok District in the Bagmati Province of central Nepal. In 2008, **Action Autonomie Avenir (AAA)** officially registered **Action Autonomie Nepal** with the Kathmandu District Administration Office. As part of its *Education and Support Program*, the organization decided to purchase **approximately 2,544 square meters of land in Melamchi Municipality**.

The primary objective of this initiative was to establish a safe residential facility for orphaned and underprivileged children selected and sponsored by AAA. The program aims to provide them with essential care — including food, shelter, clothing, safety, and education — ensuring a secure and nurturing environment for their overall development.

Currently, the facility is accommodated 23 needy children and 5 dedicated staff members. The property is being operated and maintained by **Action Autonomie Pokhara, Nepal** in partnership with **Pragati English Higher Secondary School**, Melamchi with the financial support of **Action Autonomie Avenir, France** and **Foundation Maurice & Ute Genoyer (FMUG), France**.

For the effective operation and sustainability of this program, a total annual budget of **€50,000** has been allocated.

In 2023, AAP and AAA established a new and expanded partnership with Pragati School. This collaboration now also includes overseeing the administration and overall functioning of the Melamchi Children Home under AA Pokhara, Nepal. The partnership enables the care of 18 children under full scholarships, as well as 5 children receiving scholarships for education-only. The total budget allocated for this expanded partnership is 50,000 euros. The program aims to not only continue providing education but also ensure the proper care, safety, and well-being of the children living in the home.

Partnership with Foundation Maurice & Ute Genoyer (FMUG):

In 2024, Action Autonomie Avenir (AAA) established a partnership with the Foundation Maurice & Ute Genoyer (FMUG), marking a significant milestone in strengthening support for the Melamchi Children’s Home. Under this partnership, FMUG has committed to sponsoring both the operational and educational needs of the program.

FMUG contributed €20,000 towards the reconstruction and maintenance of the boundary and infrastructure of the Melamchi Children’s Home. In addition, the foundation has committed an annual budget of €50,000 to support the overall functioning of the home, including the education of 23 children and the provision of their essential needs such as accommodation, food, healthcare and overall well-being. This funding plays a critical role in ensuring the continuity, quality, and sustainability of the program.

Through the ongoing collaboration between AAA, AAP, and FMUG, the Melamchi program has expanded to deliver comprehensive support encompassing both education and child welfare. This partnership is instrumental in creating a safe, nurturing environment for vulnerable children, while enabling them to access quality education and build a better future. Continued support from these organizations remains vital in sustaining and further strengthening the positive impact of the Melamchi Children’s Home.
